### 1) ENROLLMENT PROCEDURE:

- Each child may enroll in a maximum of two clubs. Kindergarteners may enroll in spring clubs, but not fall clubs.
- Fill out the Club Application Form completely for one or two clubs. Priority will be given to children who have selected a club as their first club over children who have listed it as their second club. Please fill out **ALL** information.
- Please indicate an alternate club whenever possible. Not listing an alternate club does **NOT** exempt an application from the lottery. Alternate club choices must be on the application to be considered.
- **Attach checks made out to "Murray Avenue PTA."** You **MUST** include a **SEPARATE CHECK for each club AND alternate** listed on the application form. Any unused checks will be destroyed. If there is no check, your child will not be registered.
- Forms and checks are due **no later than Thursday, October 8. LATE FORMS WILL NOT BE ACCEPTED.** Please drop them in the After-School-Club box outside the main office, or mail to:

**Debbie Hilden  
20 Dimitri Place  
Larchmont, NY 10538**

### 2) LOTTERY SYSTEM:

- Any club that receives more applications than the maximum number of children allowed will go to a lottery (random drawing). **Only applications received by Thursday, October 8 will be eligible for the lottery.**
- Also, please indicate an alternate club whenever possible. Not listing an alternate club does **not** exempt your child's application from a lottery. Additional club requests will not be honored after the lottery process.

### 3) NOTIFICATION SYSTEM:

**Assume your child is in his club(s) of choice unless you are notified otherwise on or before Wednesday, October 14.** Club assignments will be posted on the After-School-Club Bulletin Board (opposite the library) on Wednesday, October 14.

### 4) PTA CLUB SCHOLARSHIPS:

Scholarships are available so all children can participate in After School Clubs regardless of financial situation. Scholarship requests are strictly confidential. Please notify Jennifer Monaco as soon as possible to request a scholarship so that your child's club choice can be included in the lottery. Scholarships are limited to one club per child per club offering.

**For more information, please contact Pam Washington at 834-5936 or [pwash@optonline.net](mailto:pwash@optonline.net).**
