“Since childhood, I have been painting, for no special reason, numerous dots and nets, drawing from the hallucinations that seem to appear endlessly.”

– Yayoi Kusama

Polka-dots in nature

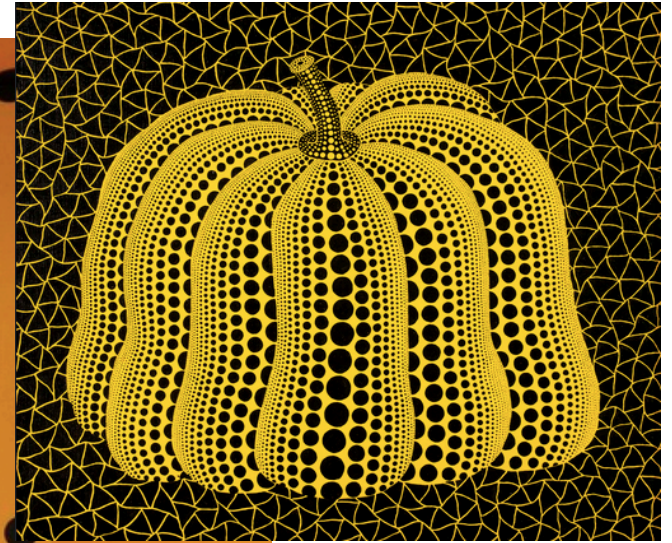

Infinity Mirror Rooms

“Our earth is only one polka dot among a million stars in the cosmos. Polka dots are a way to infinity. When we obliterate nature and our bodies with polka dots, we become part of the unity of our environment.”

– Yayoi Kusama

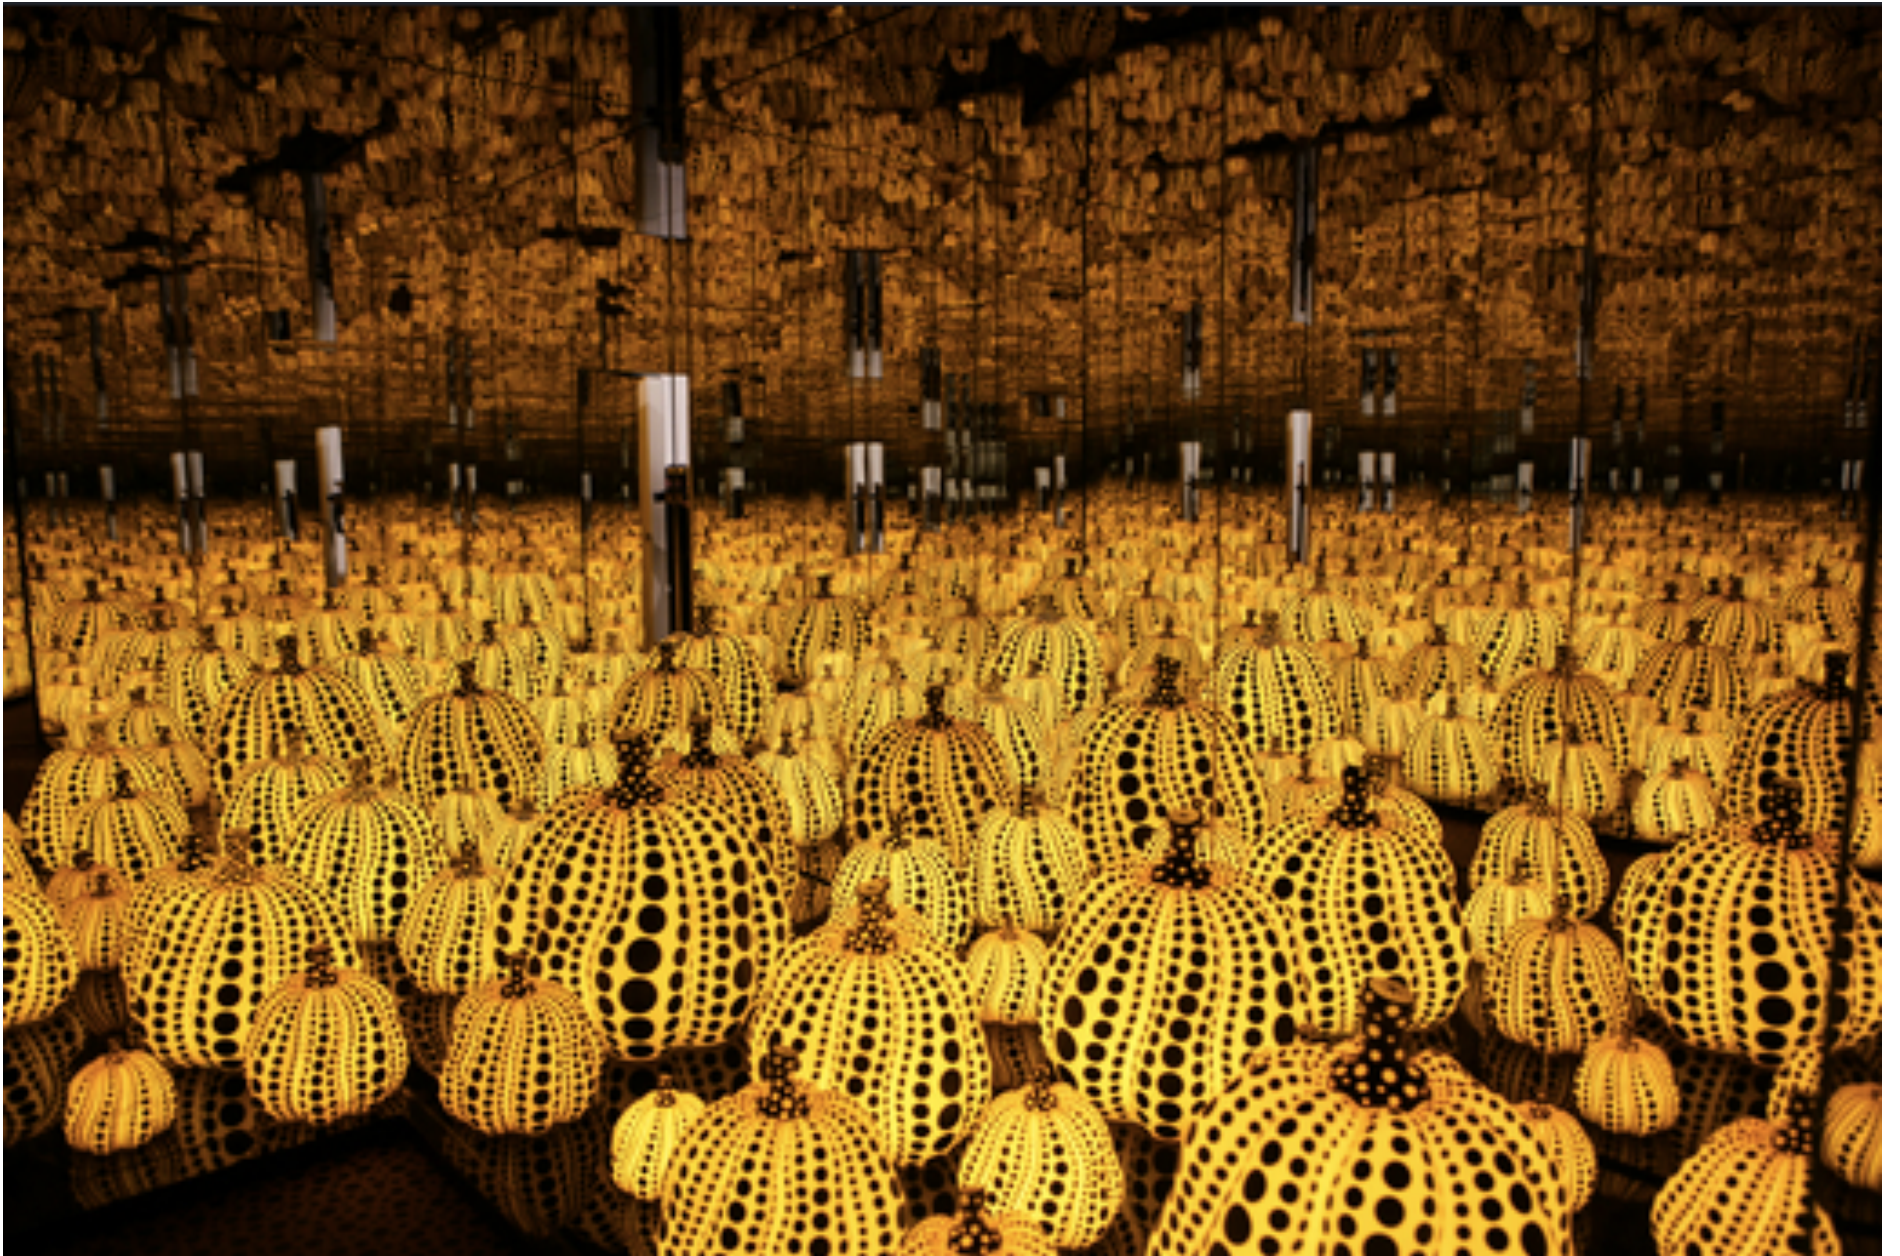

Pumpkins

"Pumpkins have been a great comfort to me since my childhood. They speak to me of the joy of living. They are humble and amusing at the same time, and I have and always will celebrate them in my art."

– Yayoi Kusama
