

## 2nd Grade Supply List

In anticipation of a hybrid model in our schools this fall, we have thought carefully about which supplies the children will likely need both at home and in school. We also anticipate the need for the children to bring their supplies to and from school every day rather than being able to store them in the classroom. At the end of the summer, you will receive a welcome letter from your child's second grade teacher. **Please be on the lookout for this letter as it will have detailed information about how we will need the children (with your help) to organize the supplies from this list before coming to school the first day.** We thank you in advance for all of your support!

The following items are needed for all second grade classes.

***Please LABEL these items with your child's name:***

- 1 **LARGE** backpack – no wheels please! Please be sure it is 17" or larger. Folders should easily fit inside.
