**Is your child planning on taking the March 12th SAT,
the April 2nd ACT, or maybe they're unsure which
test to take at all?**

Zoffness is a local small business owned and operated by Ben Zoffness, an MHS grad and District parent. He has partnered with the PTSA and wants to help all children, regardless of means, feel confident heading into the spring testing dates.

My child is planning on taking the SAT on March 12th 2022:

If you choose Zoffness College Prep, your child will take a diagnostic test Saturday January 8th @ 9am to assess strengths and development opportunities.

Prep classes will likely run Saturdays with times to be confirmed.

Practice test dates: Saturday February 26th and March 5th both @ 9am.

My child is planning on taking the ACT on April 2nd 2022:

If you choose Zoffness, your child will take a diagnostic test Saturday Jan 29th @ 9am to assess strengths and development opportunities.

Prep classes will likely run Saturdays with times to be confirmed.

Practice test dates: Saturday March 19th and March 26th both @ 9am.

My child isn't sure which test to take:

NOTE: Date for diagnostic option is coming soon!

If you're unsure which test is best suited to your child, Zoffness offers a great program. They'll sit for both full-length proctored diagnostic SAT vs ACT assessments. Diagnostic testing dates Saturday December 18th and January 8th @ 9am.

Zoffness College Prep's software provides a comprehensive analysis to scale scores across both tests and help your child decide which to focus on and gain a decisive advantage before test prep even begins.
