Dear Parent Community,

On the news this week that our beloved Principal Liz Clain will be retiring at the end of this year, we hope you'll join us in wishing her immense gratitude for all she's done to shape the MHS experience for students, staff, and parents over twenty-six years.

Thanks to Liz, our children saw first hand what it means to be valued as individuals, to lead with empathy, and to be held to expectations that support future success.

Please watch for what we hope will be a worthy send-off as the year draws to a bittersweet close for our community.

Student Support Committee Updates:

Certificates of Appreciation

Thanks to all who purchased Certificates of Appreciation this year. We received a fantastic response once again. Recipients loved the special student-designed certificates and, of course, the chocolate! The money raised from this effort will go to funding grants to support all students in our district.

Student Support Committee Grants

We're pleased to announce that our 2021-22 Student Support Committee Grants have been awarded. We funded 11 projects focused on supporting the social-emotional needs of students across the district grades K-12. Projects included such innovative efforts as building social-emotional and executive functioning skills using games, helping 6th graders transition to middle school, healing through books, and self-advocacy, time management and planning for children with ADHD.

If you have questions about support services at MHS, please reach out to our Student Support Committee representatives, [Michele Metsch](#) or [Lisa Collins](#).

MHS Tiger Bytes is a weekly PTSA email update for parents and school personnel. Tiger Bytes submission requests should be sent to MHSTigerBytes@gmail.com by Wednesday for publication on Sunday. Tiger Bytes publication is at the sole discretion of the PTSA presidents and must adhere to established guidelines.

If you have questions about a posted item and no contact info is listed, send an email to PTSA co-presidents [Melisa Prevost](#) & [Kerry Sneyd](#)

Your copy should address 3 key questions: Who am I writing for? (Audience) Why should they care? (Benefit) What do I want them to do here? (Call-to-Action)

Create a great offer by adding words like "free" "personalized" "complimentary" or "customized." A sense of urgency often helps readers take an action, so think about inserting phrases like "for a limited time only" or "only 7 remaining!"
