Looking Forward to 24-25

“Expanding and Going Deeper”

- Orton Gillingham practicum
- HMX Programming
- Special Class Assessment and PD
- Enhancing IEP Development Process

Orton Gillingham (OG) Practicum

- Teachers across the district participated in a training session to prepare for the practicum.
- Teachers will begin small group intervention with the support and mentorship of OG practitioners.

HMX Programming

- Expanded ICT and special classes across grades and subject areas
 - Professional development is underway for ICT teams
- Expanded ExSEL program
 - DBT Steps A and turnkeying for broadened use

Special Classes

- Special classes are now in each of our buildings district-wide.
- To support growing needs, a formalized assessment will be conducted to identify areas of strength and growth in our specialized programs.
- Family participation is an element of this self-assessment and guardians will be contacted and encouraged to share experiences
